

PURPOSE & VISION

Bringing hope one block at a time.
(By loving God and bringing His love
to people)

MOTTO

From His to Ours to Theirs

SIGN ME UP!

Name: _____

Address: _____

Email: _____

Phone: _____

Do you receive text on this phone? _____

I desire to be involved at the following level:

Block Leader Volunteer

Team Member Resource Mgt

Other: _____

Do you have any special skills or resources you can bring to the program? Please specify:

ADOPT A BLOCK NEEDS YOU! WHERE DO YOU FIT IN?

Block Leader:

Responsible for leading a team and being able to lead with wisdom and discernment for the needs and safety of others. Block Leaders will be overseeing all of the volunteers that will be helping on their designated block. This will consist but not be limited to knowing their team members, keeping a journal of their assigned block, communicating and meeting the needs of that block. We are asking for a minimum of a 1 year commitment and the willingness to help train up their replacement should they need to leave their position.

Team Members:

Work closely with a specific block leader as a team to build relationships and meet the needs of a specific neighborhood. We would like to see a consistent commitment since building relationships requires an investment of time.

Volunteers:

Fill in with different Block teams that may have missing members that specific week. Willing to minister but not available for a regular schedule. Also willing to help with special Adopt A Block events.

Resource Management:

People who want to help do the groundwork for donations. They would make calls, organize the closet, Seek and pick up donations. And potentially help acquire funds to further benefit the Adopt A Block Ministry and Vision.

Questions?
